CONNECTICUT

WEAVER HIGH SCHOOL

Dedication . . .

TO MISS NINA L. HARTIN and MISS ESTHER PHILLIPS,
two members of the faculty whose recognized abilities
in their chosen profession and sympathetic understand-
ing of young people have won them the deepest respect
and admiration of the student body, we dedicate this,
the 1941 PORTAL.

FACULTY

REVIEWING

Foreword

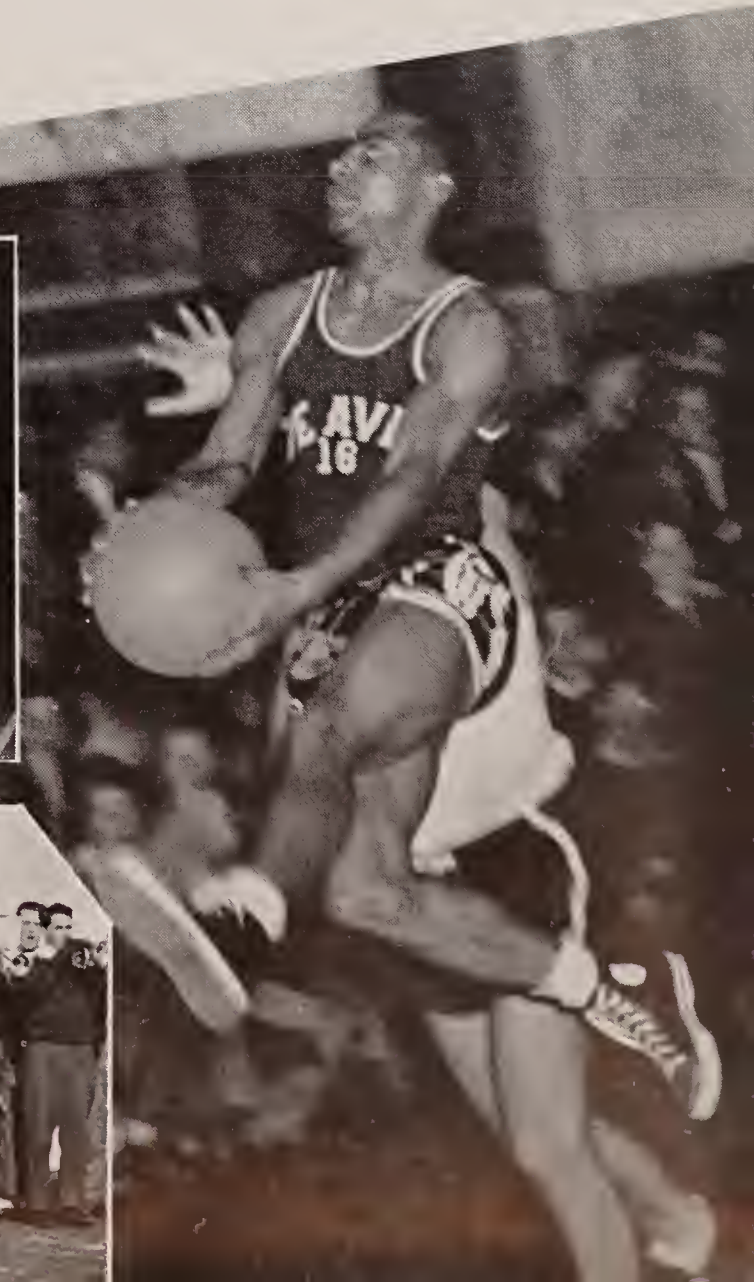

The fact that the 1941 *Portal* has broken away from the traditional and is an experiment with the new is evident almost from the first page. Contrary to the style of Weaver classbooks during the past, this year's book has been purposely written without a worldly theme of any sort. We have conscientiously devoted all our effort to compiling an interesting and complete record of the Class of 1941 during its stay at Weaver. With the institution of a new type of individual sketch, we sincerely hope we meet with your approval. Needless to say, without the expert guidance and patient understanding of Mr. Larrabee and Mr. Cunningham, all our dreams of what we hoped *The Portal* would be, would have died at birth.—M. S.—

our Days at Weaver

ACTIVITIES

MR. BURKE

During our high school careers, we have grown to regard the faculty as more than just a body of teachers; rather, we have respected and admired them as persevering scholars and true friends. No one, however, merits this admiration and respect more than our principal.

The reasons for our great pride in him are too numerous to mention, but a few are worthy of attention. Our principal has been tolerant during times when tolerance was at a choice premium; he has always been ready to hear the other side of the story. Through his own devotion to learning, he instilled in us a desire to develop our personalities and our individual intellectual bents to the fullest possible degree. Perhaps the greatest tribute we can give our principal is to say that he unceasingly endeavored to understand individual pupils, taking genuine interest in our aspirations for the future, lending a sympathetic hand when we were discouraged, and constantly attempting to make us decent, intelligent and upright young men and women.

Thus, for the man that he is and for all he has done for us, we are truly grateful, and hoping we may always call him our friend, we reluctantly bid Mr. Burke — farewell.

MISS FAITH TALCOTT

For an adult to maintain a youthful spirit is remarkable, but for an adult unceasingly to devote time and effort solely in the interests of young people—that is truly noteworthy. Such qualities are, we say with pride, evident in Miss Faith Talcott.

She has aided all Weaver girls in becoming dignified and refined young women, through her being the guiding factor in the Girls' League. Her manifold activities are by no means limited to the Girls' League, however, since she acts as adviser to the Matinee Dance Committee and is consulted by numerous groups on countless occasions.

Returning to her personality, we find a woman who is intensely interested in whatever problems a student may have, a woman who advises tactfully and rationally, and a woman who is unselfish and altruistic, her thoughts being only for the welfare of Weaver High School and its inhabitants.

Miss Talcott represents the finest ideals for which we may strive. Although we leave Weaver, we shall never forget her, for she was a true friend.

From the top, left to right, reading down: Miss Phillips—a study in reflection . . . Mr. Halford waits expectantly for an answer . . . Mr. Waring “sees by the papers” . . . Mr. Gipson aiding the perplexed . . . Miss Hood in English class . . . Mr. Maines shows how it’s done . . . Mr. Carrier at the “mathematical board” . . . Miss Lord tracking down a stray notice . . . Mr. Preu solves a tough one . . . Mr. Burke proudly presents . . . One who never signs ‘til he reads—Mr. Darling.

AWAY

I cannot say and I will not say
That he is dead. — He is just away!
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since he lingers there.
And you — O you, who the wildest yearn
For the old-time step and the glad return, —
Think of him faring on, as dear
In the love of There as the love of Here;

.

Think of him still as the same, I say:
He is not dead — he is just away!

A Brief History of Our Class

SEPTEMBER, 1938

We enter confused and awe-stricken, and wander dazedly through, and down stairways, swinging doors, and amused juniors and seniors . . . They say it's an ill wind that blows no good—the hurricane blew us right into Weaver . . . We revert to pioneer days when the lights go out and trees fall across our path.

OCTOBER

Senior-Sophomore Party—at last we meet those all-important seniors . . . We anxiously peruse first Honor Roll.

NOVEMBER

The impossible happens—No homework because of our victory over Bulkeley . . . bombastic T. Farr and company arrive at the game in costume—a throwback to the Gay Nineties . . . We bring good luck to break jinx—Weaver obtains city football championship for second time in fifteen years by victory over H. P. H. S. . . . Soph Doc Hurley lends a hand . . . did we eat turkey after that!

DECEMBER

Victory sport dance in honor of footballers . . . A brilliant member of our class innocently inquires if he had to be an athlete to go to a sport dance . . .

JANUARY, 1939

Back to the old grind again . . . Unexpected basketball victory over New Britain.

FEBRUARY

Student body turns out for Dramatic Club hit . . . Our good luck continues as we become city basketball champs.

MARCH

Everybody thrilled—we reach the semi-finals in state basketball tournament . . . Sophs have opportunity to show talent in rollicking minstrel show . . . Those bookkeeping wizards, Louis Meltzer and Milton Wolf, capture silver cup in state bookkeeping contest . . . Barney Lapp breaks into print (in the Scoop) as the All-American boy.

APRIL

Soph. girls usher at Junior Prom . . . Track team makes good showing at Storrs . . . Spring causes soph romances to go on the increase and studying on the decrease.

MAY

Obtain voice in Girls' League management by new elections . . . Japanese beetles get the worst of it in extermination campaign.

JUNE

The great day comes—we are Juniors!

SEPTEMBER, 1939

We stroll knowingly into school and smile tolerantly at the little sophomores . . . The first-hand account of the Athenia disaster by the McDonald sisters thrills us . . . We join school clubs, taking more active part in extra-curricular affairs.

OCTOBER

Cross-Country harriers become State Interscholastic Champions . . . Theodora Schiavone wins Bookkeeping Progress Award . . .

The mysterious Maharaja hypnotizes a faculty member and makes his victim perform amazing deeds, all to our great astonishment and amusement.

NOVEMBER

Bulkeley is defeated, 16-12 . . . Assembly speaker's advice to girls "to love as many people" as they can annoys their boy-friends . . . Two Thanksgivings confuse us, but unfortunately there is only one vacation . . . Weaver remains city champ after winning the H. P. H. S. game, 7-0 . . . Cross-country team takes second place in New England meet.

DECEMBER

Audio-visual system is installed . . . Handsome Bud O'Connor becomes captain of football team . . . Everyone has grand time at bazaar—Dramatic club produces weird painted faces and Debating club offers an hilarious melodrama.

JANUARY

Renovated gym emerges in all its glory at Lookout dance—the first of the year . . . Martin Wishnivetsky plunges into wickedness and collects his first demerit.

FEBRUARY

We are urged to take tuberculin tests—the chill of terror sets in before the final job . . . We keep the city basketball championship by dint of many victories . . . Curtain goes up on another Dramatic Club success, "Seven Sisters."

MARCH

We gaze anxiously at our arms, wondering—T. B. or not T. B.? . . . Teachers reveal their hidden talents (?) at Amateur Night . . . Lewis Pessin becomes a shorn lamb—the barber caught up with him at last . . . Honor Society recognizes our genius—twenty-five juniors are admitted . . . Plans for Junior Prom get under way with the choosing of the committees . . . girls have an excuse to gossip while making crepe paper flowers.

APRIL

The girls balance tea cups and chat with their favorite teachers at the Junior-Faculty Tea—the club room is changed into an old-fashioned garden for it . . . We have a grand time at the Junior Prom, which is a credit to its chairman, Peter Arborio.

MAY

The Girls' League makes a good choice and elects Hazel Duffy president . . . Spring fever sets in with warm weather . . . The names of the Junior Ushers are announced . . . Everybody wonders who will be the lucky ones to be sent to the World's Fair by the mayor.

JUNE

We blossom out with even more freckles. . . Girls all aflutter at the idea of attending The Reception with handsome seniors . . . Lill Wynn wins again in the State Latin contest . . . World's Fair is invaded by "Hartford hicks". . . Irene Goodman is new editor-in-chief of the *Lookout* . . . We leave, determined to enjoy our last high school summer vacation.

SEPTEMBER, 1940

After eleven years of subordination we come into our own—at last we're important seniors . . . We wonder if we were ever as little as these sophomores . . . *Lookout* surprises us with a new dress and Eddie Burns with a new blonde companion . . . The weaker sex strain their eyes to catch a glimpse of several handsome new faculty members.

OCTOBER

Girls' Leaguers take the flustered sophomores under their wings at the Senior-Sophomore party . . . The *Portal* comes under the efficient management of Morty Stone and John Moreno . . . Exhibition of school spirit increases as the pigskin gets into action . . . We choose our nominating committee.

NOVEMBER

56 more of us are made happy by acceptance into Honor Society . . . Chalk up another for Bud O'Connor—this time he's president of the A. A. . . . Eddie Burns gets coveted posi-

Football

Weaver's 1940 clefted warriors participated in a successful season, and as the final whistle blew, the Green had been victorious in four games, greatly overbalancing their one loss and two scoreless ties. This one defeat, however, was enough to take away the coveted city title which the Stonemen had earned for the two previous years. As the season opened, it appeared that the football aspirants were untested to such a degree that they were completely an unknown quantity. On Captain "Bud" O'Connor's shoulders was placed the hard task of converting these "rookies" into seasoned veterans, and largely through his fine quarterbacking, another powerful Green array was developed. The outstanding men on the team, besides Captain O'Connor, were Walter Daley and Morris Resnick, whose savage defensive and offensive play brought much grief to the opposition. The backfield consisted of O'Connor, Christino, Yellin, and Barlow; the ends were Hurley and Resnick, and the line, Michelson, Daley, Caplan, Green, and Passaro. This compact eleven finished the season in a blaze of glory by winning the annual Turkey Day encounter with our great rival, Hartford Public. Incidentally, this is the third straight year that the Blue and White has tasted defeat at the hands of the Stonemen.

SEPTEMBER 28
WEAVER 0, WEST HARTFORD 0

Opening the season on a warm clear day, Weaver's untested eleven could do no better than gain a scoreless tie with a far superior Hall High array. It was a contest marred by sloppy playing on both sides, and if it were not for splendid goal-line stands by the Green line, the outcome might have been far more disastrous for the Northenders. O'Connor was the only back who showed real talent, while Resnick and Daley performed admirably in the line.

OCTOBER 4 WEAVER 0, WEST HAVEN 0

Rebounding from a rather disappointing start, the Green warriors really showed the spectators that they were a well-balanced team, and the favored West Haven squad did well to achieve a tie with an inspired Green eleven. It was Weaver's offensive play that featured in this contest, yet the admirable line play, when they prevented a second-period West Haven score, should be mentioned. Weaver had advanced the ball to the West Haven three-yard stripe as half-time expired, and again in the third period misfortune prevented a Green score when Hurley grabbed O'Connor's aerial a foot outside of "pay dirt." Daley, Hurley, Caplan, and Resnick were outstanding in line play, as was the complete backfield in the offensive phase of the game.

OCTOBER 11 WEAVER 20, CHAPMAN TECH. 7

Finally unleashing their pent-up power, Weaver's big eleven chalked up the first victory of the season at the expense of a greatly outplayed Chapman Tech. team. The Green scored twice in the first period and once in the third to gain the victory. The visitors' only threat was a second quarter score. "Gus" Barlow was the outstanding back in this contest, and his forty-yard touchdown sprint in the first quarter was the high point of the game. O'Connor, as usual, was the main link in the chain, and the whole Green line played very well from a defensive standpoint.

OCTOBER 18 WEAVER 21, EAST HARTFORD 14

In a thrilling contest that seesawed from one eleven to the other, Weaver finally capitalized on the breaks to triumph over a scrappy East Hartford eleven. Hurley's receiving of a Green aerial in the opening period accounted for Weaver's first touchdown, and Caplan's third period recovery of a blocked kick chalked up the second score. However, East Hartford retaliated both times and pushed the ball across in the second and fourth quarters, evening the score at 14-14. With five minutes remaining, however, the Green took advantage of a poor East Hartford kick, and the third touchdown drive was climaxed when O'Connor lugged the pigskin over for the deciding points. O'Connor was again the backfield star, and Caplan, Resnick, Green, and Hurley excelled in the line.

OCTOBER 25 WEAVER 13, MANCHESTER 0

Again a gallant Green array made use of their opponents' bad breaks to down Manchester, 13-0. The entire line was the important factor in this victory, and it was O'Connor's two touchdowns, one in the first and one in the last quarter, that made the triumph possible. Daley was the shining light in the line, his block of a Manchester punt setting up Weaver's first score and his jarring tackle paving the way for the second Green and White touchdown, when he dumped a Manchester player back on his own seven as this player attempted a fourth down pass. Manchester's only serious threat came in the second period when they advanced the ball to the Green three just as half-time ended.

NOVEMBER 11 WEAVER 13, BULKELEY 22

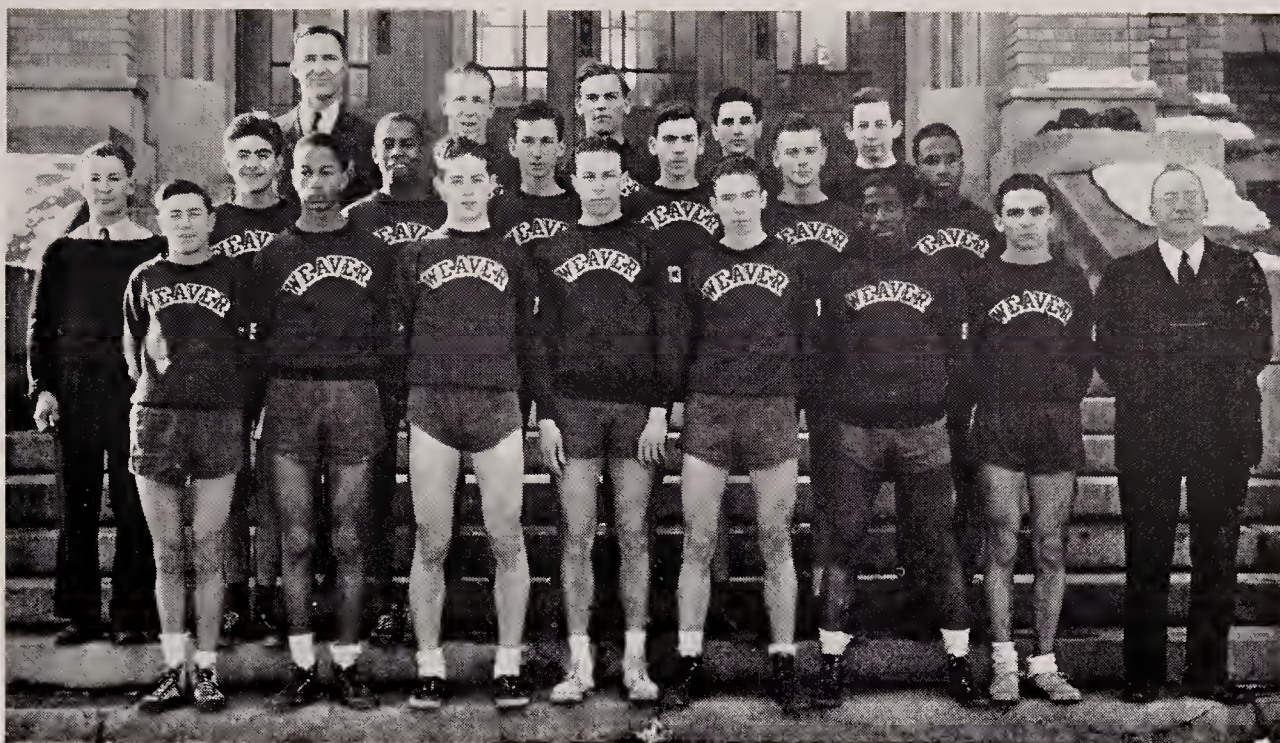

Weaver's over-confidence cost them the city championship and snapped a three-game winning streak, by virtue of a 22-13 defeat at the hands of Bulkeley. Starting fast, the Green pushed over a quick first period score, but O'Connor's injury, which forced him to leave the game, spelled defeat for the Stonemen. Bulkeley converted this break to the fullest advantage by scoring twice in the second quarter. Starting where they left off in the first half, Bulkeley scored again in the third period. For good measure, they swelled their total by a neatly executed field goal. The Green eleven quickly came to life at this point, and three long passes accounted for a fourth period touchdown. As this was the only score that Weaver was able to muster, the Stonemen suffered their one and only setback of the 1940 season.

NOVEMBER 27 WEAVER 12, HARTFORD 6

The annual Thanksgiving Day contest saw big "Bull" Yellin lead a spirited Green array to their fourth and final victory of the 1940 season. Hartford made the first threat, and after being repulsed three times in the first period by superb goal-line play, they were able to push over a second period touchdown. The Green bounced right back in the second half, however, and two passes heaved by O'Connor to Yellin accounted for the two Weaver touchdowns, one in the third and the other in the fourth period. Yellin played a great defensive and offensive game in the backfield, as did Caplan, Daley, and Michelson in the line. Even though he was hampered by his first period injury, O'Connor was outstanding, and special mention should be given him because of the excellent leadership he always showed on the football field. He rightly deserves much of the credit for Weaver's successful 1940 season.

The team elected Yellin to captain the 1941 Weaver aggregation.

November 20	Weaver 24	New Britain 31

Weaver's 1940 harriers, led by Captain Leonard Seaman, completed a successful season by winning three out of four dual meets. Overcoming the stiff competition offered by Middletown, Manchester, and New Britain, the cross country team was defeated only once, this setback being at the hands of a powerful Hartford Public squad. The Gipsonmen finished second and third respectively, in state meets held at the University of Connecticut and at Wesleyan University. At Boston they placed eighth in the New England Interscholastic Meet. Seaman, whose spectacular running greatly inspired the team, was ably assisted by DiBella, Rosenthal, Gorman, and Register. Each of these men received major awards. The outstanding man, besides Seaman, was Tony DiBella, a sophomore. He was among the first five Green men to finish in every run, except the H.P.H.S. meet, and he was unanimously elected captain of the 1941 team.

Basketball

Weaver's 1940-41 hoopsters, although not one of Mr. Stone's outstanding quintets, played fairly good ball, garnering nine wins, while losing seven encounters. Captain Register's ineligibility due to age, coming towards the beginning of the season, caused Coach Stone many headaches, yet he rapidly developed a team that upset all predictions. Two of their greatest surprise victories were the stunning defeat they dealt Hartford in the first encounter, and the trouncing they gave Hall in the second meeting of these two teams. Getting off to a fast start, the Green won two straight before bowing to Bristol. After dropping their next encounter to Bulkeley, the Stonemen scored a surprise victory over Hartford, and overcame New Britain and Manchester before losing a second time to an undefeated Bristol array, which later won the New England title. Before the Weaver team could get on their feet, they lost two more; however they overcame East Hartford before being defeated by Bulkeley. The Green's last four games saw them win three to wind up the season in fine style, their defeat being delivered by Hartford after a thrilling overtime battle. Although the North Enders did not come near winning the city championship, they were one of the representatives from Hartford in the State Tournament. Before they were eliminated, the Stonemen scored another upset; this time paced by Christino's nineteen points, they whipped New Haven Commercial. In fact, Weaver was Hartford's only hope after the other three Greater Hartford fives had been eliminated in the first round.

After Register's early ineligibility, "Doc" Hurley took over the reins as captain, and his defensive work at center, combined with numerous scoring

sprees, helped the Weaver five no end. Christino and Barlow were the high scorers among the forwards, and they were assisted by Bossi and Silverstein. Dart and Mazzucchi completed the starting five at guard, and had as understudies Yellin, McGann, and Deubel.

Swimming

Weaver's 1941 swimming team was, when one merely regards their record, a failure. Yet they were far from being that when you consider that they showed well in every meet and gave their opponents much competition before each contest came to a close. Coach Gipson didn't have too many candidates to pick a team from; nevertheless he molded the swimming squad into fine shape before the season ended. The Green and White participated in only four meets, and although they were on the short end of the score each time, they fought valiantly before they were beaten. A strong H. P. H. S. junior varsity inflicted the first defeat upon the Weaver mermen, and Meriden, Bristol, and Manchester, in that order, followed victoriously. The Green and White put up their best fight against Bristol, being nosed out by only a few points. Undoubtedly Brown, breast stroke, and Gladstein, free style, were the two best swimmers. The rest of the team included Goldberg, McNally, and Dohm, free style; Stoltz and Clementino, breast stroke; and Herman and De Lucco, back stroke. To climax the season, both Brown and Gladstein represented Weaver in the Interscholastic meet at Yale University on March 22.

BASEBALL

Weaver's 1941 baseball team gives the pre-season impression that it will be right in the heat of the city race. If the pitching of the Green balances the early hitting power shown by the entire team, the Stonemen will be the team to beat. With Hurley at first, Levitt at short, Macaluso at third, Yellin, McGann, and Mazzucchi in the outfield, Christino pitching and O'Connor behind the plate as holdovers, Weaver has a wealth of talent. Their only uncertain spot is at second, and Coach Stone might have to juggle his entire lineup to fill this gap. Although Christino will bear the burden of the pitching chores, the Green and White would be a great deal more powerful with two more good hurlers.

Sports

TENNIS

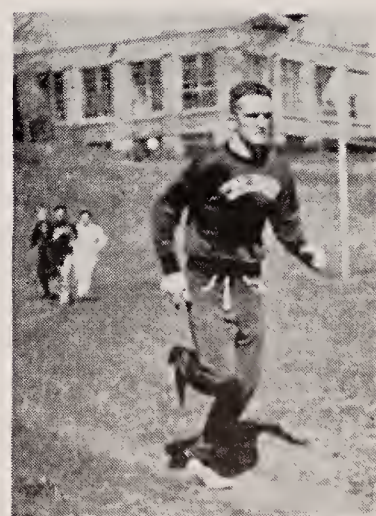

Coach Carrier's tennis team looks like a sure bet to end up the season quite successfully, even though they are faced with a difficult thirteen game schedule. From last year's team, Captain Stein, Herlth, Katz, and Legomsky remain. It is reasonably sure to say that the fifth man will be Levine.

TRACK

Weaver's 1941 track team sees only a few men returning from last year's squad, and unless new talent is uncovered, Weaver will have to exceed expectations to annex a majority of the eight major meets facing them. Remaining from last year are Seaman, running the mile; Eisenberg, 440; Hurley, the discus and shot put; A. Register, broad jump; and Patterson, half mile and 100 yard dash.

These lettermen show much promise. If Coach Gipson can develop several new prospects, Weaver should be able to present a fair team.

Girls' Sports

SOCCKER

The girls' successful 1940-1941 athletic season opened in the fall with soccer. The committee in charge was headed by Kathleen Nolan, assisted by Anne Callan and Nancy Williams. Although the weather was unfavorable this year, the girls' spirits were not dampened, and with twenty-one Sophomore candidates reporting, two teams were formed to play against each other, the Greens and the Whites. Betty Harding was the captain of the Greens, and Angela Mascolo led the victorious White team.

Seventeen Junior players, captained by Anne Callan, competed against the fourteen Seniors, led by Nancy Williams. The Seniors' three years experience enabled them to be champions in all sports. In soccer they were undefeated in eight games.

The Junior-Senior varsity, composed of the best players of both teams, took the measure of the Sophomore varsity in two out of three games.

The seniors on the varsity were:

Mary Bagdigian, Ellen Clark, Sylvia Fine, Eleanor Joel, Kathleen Nolan, Jean Roberts, and Nancy Williams.

BASKETBALL

The basketball season was lengthened this year because of its popularity during previous years, and games were played from November through January. Mildred Robinson was chairman of the basketball committee, assisted by Ellen Clark and Geraldine Duffy. Twenty-seven letters were awarded.

The Sophomores formed Green and White teams, led by Agnes Azarian and Tina Christino respectively. The Whites were champions, defeating the Greens in four out of five games.

The Seniors, headed by Mary Bagdigian, proved too powerful for the Junior squad, captained by Selma Mag, and triumphed in six out of eight contests.

The Senior-Junior varsity won two out of three post-season games.

Those Seniors on the Senior-Junior varsity were: Forwards: Sylvia Fine, Monica Moran, Nancy Williams; Guards: Mary Bagdigian, Eleanor Joel, Mildred Robinson.

BADMINTON

Each year the membership of the Badminton Club increases. At the time this article went to press, an elimination tournament was underway, and last year's winner, Mary Bagdigian, and Eleanor Joel were favored to emerge victorious.

The committee was composed of Mary Bagdigian chairman, Geraldine Duffy, and Monica Moran.

TABLE TENNIS

The Girls' Leaders' Corps sponsored its third table tennis tournament this year. It was highly successful, with fifteen Sophomores, fifteen Juniors, and eighteen Seniors playing. The winners were Selma Dubrow and Jean Roberts, who received gold and silver medals respectively.

A consolation tournament followed the regular one, and from the sixteen contestants, Florence Lassoﬀ was favored as the winner, to receive a bronze medal.

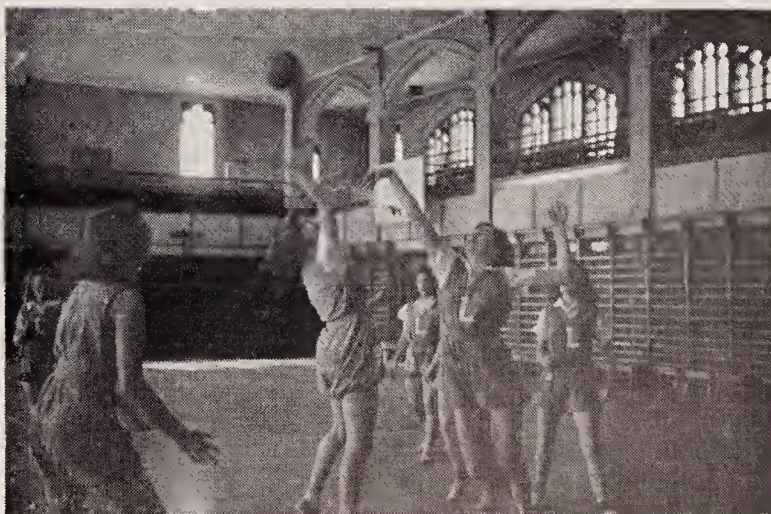

The committee in charge was Jean Roberts chairman, Monica Moran, and Dorothy Biederman.

VOLLEYBALL

Three of the volleyball teams were especially strong this year, and at our going to press, the Seniors had won five games, the Juniors, one, the Sophomore Greens, three, and the Whites, four. The championship had not yet been settled and the remaining games promised to be real battles.

The committee in charge was Kathleen Nolan chairman, Anne Callan, and Agnes Murphy.

Seniors eligible to be on the varsity included Mary Bagdigian, Ellen Clark, Sylvia Fine, Eleanor Joel, Kathleen Nolan, Jean Roberts, and Nancy Williams.

Spring Sports

SOFTBALL

Softball was expected to be the most popular spring sport this year. The committee in charge was Eleanor Joel chairman, Kathleen Nolan, and Cynthia MacGrath.

The girls looked forward to the game that the varsity team played against the women's faculty team.

The Senior varsity, based on the Junior year performance, will probably be:

P—Monica Moran
C—Kathleen Nolan
FB—Nancy Williams
SB—Eleanor Joel
TB—Jean Roberts

SS—Sylvia Fine and Helen Swayner
RF—Agnes Murphy
CF—Mary Bagdigian
LF—Mildred Robinson

TRACK

Mary Bagdigian was the chairman, with Eleanor Mayoros and Anne Callan completing the committee, that planned the girls' track meet. They featured the soccerball kick, the basketball distance throw, the softball distance and accuracy throw, the high jump, the standing bar jump, and races.

TENNIS

During the balmy spring afternoons in Keney, six courts were reserved for the girls to stage a ladder tournament. The appeal of the park and the game drew a large group of contestants and spectators.

Chemistry Club

This organization offers to all those interested in the science of chemistry, a chance for discussions and experiments. Being a member of this club makes the subject of chemistry doubly interesting. Speakers, movies, and numerous visits are both instructive and entertaining features of meetings. The group has always been rated highly by both faculty and students. Much of the club's success has been made possible through the guidance of its adviser.

President Elias Rosenthal
Vice-President Barnett Laschever
Secretary Robert Tucker
Treasurer Martin Fierberg
Adviser Mr. G. Hapgood Parks

Art-Crafts Club

Some years ago, the Art-Crafts Club was organized to give those students interested in a deeper understanding of art, an opportunity to find more enjoyment in the many branches of the field. This year's most interesting club activity was a trip to the Hartford Art School while the classes there were in progress. Members witnessed costume designing, drawing and sculpture classes, and derived much stimulation and knowledge. An exhibition of student work, done as extra-curricular activity without the benefit of instructors' aid, was viewed by the group, as well as work done for the Index of American Design.

President Lawrence Douville
Vice-President Leo Rosen
Secretary Ethel Shein
Treasurer Shirley Tone
Advisers Miss Helen Haselton,
 Miss Marjorie G. Ingle, Mr. John D. Preu

C. H. L. S.

Several years ago, this club was organized to promote the study of and interest in the best types of literary work. The C. H. L. S. has often donated new, valuable books to the school library. Lectures, given by various teachers, and a moving picture of school life, taken by Miss Lord, gave the members much enjoyment at several meetings this year.

President Connie Silver
Vice-President . . . Shirley Rosenthal
Secretary-Treasurer . . Mary Marianella
Adviser . . . Miss Elizabeth E. Bean

Boys' Commercial Club

This organization promotes good will among Weaver pupils, upholds the ideals of the school, and furthers interest in commercial subjects. Important features of the club are the trips to some of the more important business and manufacturing establishments in Hartford, such as the Aetna Life Insurance Company, the Fuller Brush Company, Case, Lockwood and Brainard, printers, and the Fro-Joy Ice Cream Company. Movies on various subjects of current and perennial interest have been shown at several meetings. The high point of the year arrived with the annual club outing at Camp Rainbow.

President Manuel Wendrow
Vice-President John Moreno
Secretary Frank Quinn
Treasurer Seymour Kimenker
Adviser Mr. William R. Waring

Biology Clubs

Two years ago, these clubs were organized by a few faculty members of the science department. Although they are new clubs, their memberships show that the work of the faculty is appreciated by those students taking biology. These groups supplement the work of the classes, both educationally and recreationally. The Boys' and Girls' Biology Clubs have sponsored many entertaining joint meetings.

Girls' President Natalie Gilston
Vice-President Dolores Cohen
Secretary Elizabeth Rockwell
Treasurer Ada Maislen
Boys' President Bruce Smith
Vice-President Allan Walch
Secretary Richard Matera
Treasurer Stanton Winslow
Advisers . . . Mr. Russell D. Baker, Miss Jennette Bodurtha, Miss Catherine E. Hubbard.

Camera Club

One of the newer clubs at Weaver, the Camera Club was formed by those students who felt a need for an opportunity to improve their knowledge of photography by the sharing of experience and the study of scientific technique through reading and discussion. During the year, several members have given illustrated lectures before the club on various aspects of technique, and, at one meeting, a demonstration of the methods used in portrait photography was presented by a student. Among the guest speakers from the world of professional photography was Robert Ficks, of the Hartford "Courant", who lectured on speed photography.

President David Kinsler
Vice-President Seymour Saltzman
Secretary Selma Mag
Treasurer Irving Rock
Adviser Mr. Frank M. Van Schaack

The Chess Club

Those students who are interested in chess join this club where they meet other pupils with the same interests and derive much information of the more important and technical aspects of this game. The club plays a full schedule of matches against other school teams in Hartford and the immediate vicinity, and this year, Weaver won the city championship. The members have found chess to be a game from which much satisfaction may be derived.

President and Treasurer Sidney Stein
Vice-President John Fried
Secretary Alex Berman
Adviser Mr. Harold B. Clapp

Astronomy Club

Under the direction of Mr. Philip H. Dow, this organization has undertaken many enjoyable and educational field trips. This year, the club members visited the Springfield Planetarium, and have increased their knowledge of the stars and the other heavenly bodies. The object of this group is to promote greater interest in the study of the universe.

President Edwin Stoltz
Vice-President Miriam Kaufman
Secretary Miriam Kroopnick
Treasurer Hazel Duffy
Adviser Mr. Philip H. Dow

Concilium Romanum

This prominent club aims to give to its members a thorough knowledge of Roman life and customs, and to interest other students in the study of Latin. Under the excellent supervision of Miss Conklin, the club members have enjoyed many varied and instructive meetings, from which they gained a better practical and cultural understanding of Latin. An annual banquet, the publication of the "Acta Concili", a

Latin paper written by club members, together with other entertainment, are the basic activities of this organization.

Consuls: Seymour Saltzman, Davida Schatz
Censor George Rosenblit
Quaestors . . Mary Doyle, Mae Rivkin

French Club

To permit pupils interested in French to learn more about famous French people and the customs of their country, to teach the students to use that language fluently, and to promote good fellowship among pupils is the purpose of this popular club.

At present, under the guidance of Miss Esther Phillips, this group has many interesting, varied, and instructive meetings, in-

cluding an annual picnic and a Christmas party.

President Natalie Davidson
Vice-President Seymour Saltzman
Secretary Palmy E. Cannistraro
Treasurer Natalie Gilston
Adviser Miss Esther Phillips

German Club

Feeling a need for a greater opportunity to gain knowledge of the German language and German life, culture and traditions, students taking German reorganized this club last fall, after it had been dormant for some years past. Meetings have been devoted to lectures concerning points of interest in Germany and the lives and work of renowned German composers, writers, and scientists. At the Christmas gathering, carols were sung in German, and vari-

ous musical selections were played by members on the piano and the clarinet.

President Nathan Silverstein
Vice-President Eli Margolin
Secretary Benjamin Lieberman
Treasurer Barnett Laschever
Adviser Miss Mildred G. Small

Dramatic Club

The Dramatic Club is a truly outstanding organization in Weaver. It not only gave our student thespians a chance to "emote", but it also offered those interested in the production division an opportunity to exercise their talents. At each weekly meeting some form of entertainment was presented by various members, the program usually consisting of a play. The members also used the microphone and public address system. This year's production, a comedy, "The Imaginary Invalid", by Moliere, pleased a capacity audience.

President Barney Lapp
Vice-President R. Barbara Comack
Secretary-Treasurer . . . Lena Pappalardo
Advisers: Mr. Melvin G. Crowell, Miss Florence M. Sheehan, Miss Beatrice P. Kovner.

Debating Club

Another recent addition to the long list of Weaver organizations is this club, which was organized under the direction of Miss Florence M. Sheehan about two years ago. The members of this group, guided by their adviser, plan and organize each meeting around some topic of special interest. During the past year, the club has debated against the members of other school debating organizations in this city. The club fosters a knowledge of debating and gives elementary training in the art of public speaking.

President Lester Katz
Vice-President Richard Lorber
Secretary David Kinsler
Treasurer Isadore Gershman
Adviser Mr. Martin R. Katz

Girls' League

This, Weaver's oldest and largest organization, was founded in 1924 to promote mutual understanding between students and faculty, to encourage friendliness among students, to persuade its members to assume responsibility for school property, and to maintain a spirit of loyalty and service to Weaver. The Girls' League is divided into six groups, each being responsible for some entertainment or activity during the school semester. The League also offers its services to any other school club requiring assistance. Some of the outstanding League successes during the past year were The Yuletide Formal Dance, the annual Junior-Faculty Tea, the Halloween Party, and the Song Festival.

President Hazel Duffy
First Vice-President . . . Irene Goodman
Second Vice-President . Esther Gallagher
Secretary Elizabeth Lopez
Treasurer Pauline Claffey

Glee Clubs

To train the voices of those students who show capability and interest in music is the purpose of the two Weaver Glee Clubs. Intensive practice is held in preparation for the semi-annual concerts of the organizations, and excellent results have continually been achieved, as evidenced by the great success of the Christmas concert this year. The music sung ranges from the light, semi-classical to the classics and includes spirituals, folk songs, and religious numbers.

BOYS' CLUB

President Barney Lapp
Vice-President Irving Kelman
Secretary Seymour Gold
Librarians: John Lombardo, Everett Montgomery.

GIRLS' CLUB

President Pauline Elovitz
Vice-President Ada Maislen
Secretary Elizabeth Shaw
Librarians . . Sherry Rubin, Miriam Ziff
Adviser Miss Helen Duguid

Girls' Business Club

Under the excellent supervision of its past and present advisers, this club has always been rated very highly by both students and faculty. An annual dinner for club alumnae, a mother-daughter tea, a meeting with the Boys' Commercial Club each term, and an annual Christmas party are some of the many varied activities of the club. To interest girls taking the commercial course in the practical business

world by bringing speakers to the school, and to promote school spirit among the girls have been the aims of this club since its establishment in 1925.

President . . . Theodora V. Schiavone
Vice-President . . . Mary-Jane Toscano
Secretary Ruth Silver
Advisers: Miss Hazel A. Gilman, Miss Marion Van Deusen.

Girls' Leaders' Corps

Under the guidance of Miss Helen Wakefield, the Girls' Leaders' Corps sponsors the after school sports for girls. This year, the president was Nancy Williams; secretary, Mary Bagdigian; and vice-president and treasurer, Eleanor Joel. Committees supervise each sport and recommend any advisable changes.

The Corps awards small letters for each sport to those girls who meet the requirements. These letters count ten points. The

members of the winning team in each sport receive 25 points, and those on the varsity, 50 additional units. The girls who have 300 or more points get large W's. Each year, the ten girls with the greatest number of points are given white sweaters. Sweaters were won this year by

Mary Bagdigian, Eleanor Joel, Kathleen Nolan, Nancy Williams, Sylvia Fine, Mildred Robinson, Selma Mag, Anne Callan, Miriam Krauskopf, and Jean Roberts.

Honor Society

The Weaver Chapter of the National Honor Society offers a goal toward which those who wanted to be in the upper third of their class might strive. This group was not chosen for scholarship alone, but also for citizenship, loyalty, and service shown by them toward the school. A group of student teachers in this society who were

eligible to tutor other students needing extra help gave great service to our school.

President Edward Burns
Vice-President Irene Goodman
Secretary Chavalla Britton
Treasurer Mr. Roderic K. Stanley
Adviser Mr. Burke

Ingleside Club

During the past year, a major part of the program of the Ingleside Club was designated for Red Cross Service, the members sewing and knitting mufflers, skirts, and other articles of apparel, which were sent by the American Red Cross to Europe for distribution among civilians in warring countries. Members of the club bowled as a group regularly against other school clubs. Sightseeing tours to leading places of interest in Hartford and motion pictures were among the group's other activities this year. From the club treasury, the organization subscribed to some periodicals dealing with Home Economics and related subjects.

President Esther Gallagher
Vice-President-Treasurer . Pauline Claffey
Secretary Bernice Grossman
Adviser Miss Portia E. Clough

The Lookout

This is the official newspaper of Weaver, established for the purpose of disseminating the news and promoting the ideals of the school. It aims to carry on the spirit of good will and cooperation between students and faculty. As a result of the untiring efforts of the members of the editorial and business staffs, together with the faculty advisers, this paper has continually been rated very highly by students and teachers.

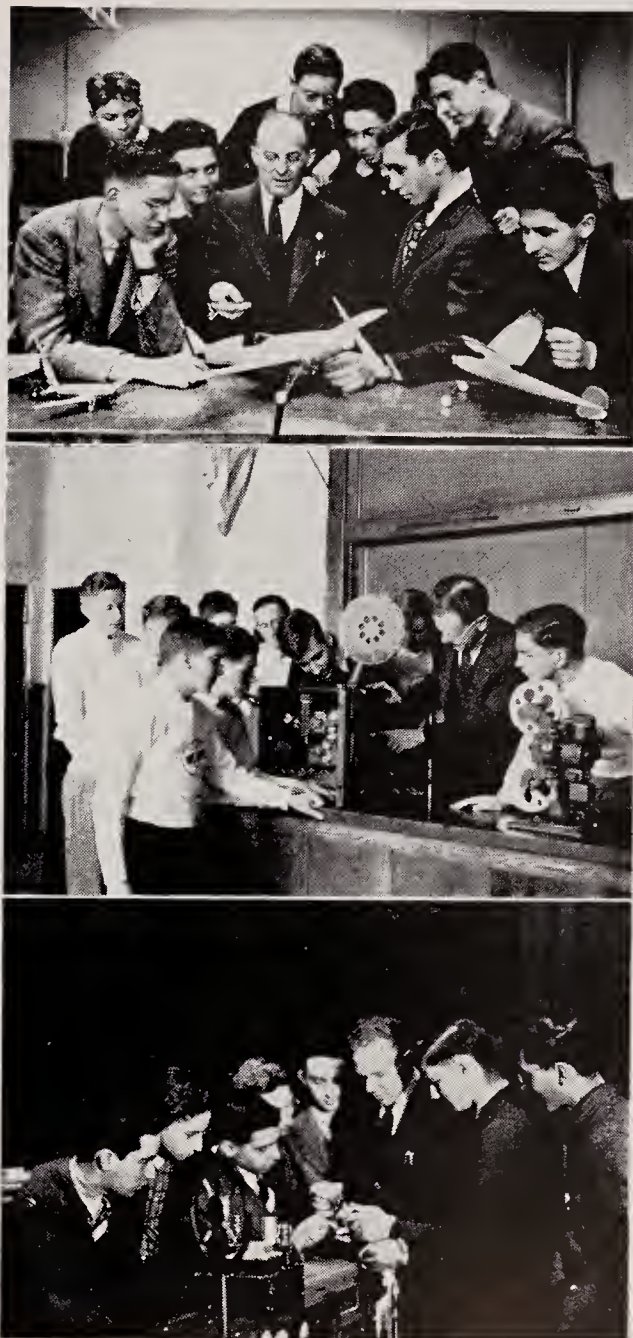

Editor-in-chief Irene Goodman
Business Manager Stanley Kanare
Circulation Manager . . . Amelia Neiditch
Advertising Manager . . . Rosetta Ginsburg
Advisers: Miss Mona O'Hara, Mr. Roderic K. Stanley.

Radio Club

The Radio Club is one of the most promising young organizations at Weaver. This club held an interesting assembly during the year, the boys on stage talking with other members who had sets and were at their homes. Two messages were sent to Connecticut's Senators in Washington over the transmitter of one Club "Ham" from the auditorium. The club enables its members to broaden their knowledge of radio telephony and to become more skillful through the practice of transmission, and sending and receiving messages in code.

President Julius Galinsky
Vice-President Irving Pregozen
Secretary Irving Cohen
Treasurer Eugene Solon
Adviser Mr. Charles A. Andrews

Model Airplane Club

This organization was formed to satisfy the needs of students interested in carrying their individual work and experimentation in elementary aeronautics to higher levels of achievement. Ideas and experiences are exchanged to broaden the proficiency of members in connection with flights, wind currents, and other technical matters. One of the major functions of the group this year was a trip to Brainard Field, where

the members had an opportunity to view a commercial air field in action. Reports on various aspects of the aviation industry and movies pertaining to such matters were presented at several meetings.

President Harry Melnick
Secretary Hartt Bernstein
Adviser Mr. Leonard I. French

AM—Sunday—1956

Monday — Chatted with Morton Q. Stone, foreign correspondent for The Herald-Tribune . . . told me that chances for League of Nations were greatly enhanced through the diplomacy of U. S. envoy at Switzerland, Sidney Stein . . . Took in a matinee of new play, "Procrastinate Till Doomsday", by 'Dolph Moore . . . this Barbara Comack is a wow . . . Hear S. Kanare Studios are vying with E. L. Goldstein Brothers for movie rights to the play . . . Was prevailed upon to attend what proved to be an absorbing lecture . . . given by Professor Martin I. Wishnivetsky, noted archaeologist . . . decisively proved the authenticity of bones from the Neo-Insane Period of the Fourth Decade . . . Notes: the lecture was supplemented by solos rendered by Lester Luntz on the glockenspiel . . . Impressions: clear tone.

Tuesday — Got up early enough to hear analysis over radio of foreign news by Morton Q. Stone . . . Latest news . . . Took me by surprise . . . Stein yielded floor at conference and delegates were swayed by fiery oratory of Andrew Manzo . . . Tried to forget the foreign situation . . . Went to the galleries . . . L. Douville's paintings on exhibit . . . Really masterpieces . . . I. Goodman was at show . . . Hear that women's styles will change this year . . .

Latest quirk: they're wearing feathers . . . At museum, Sy Beatman opened a new exhibit . . . His paintings . . . Will probably make him the leading surrealist . . . Got some tickets for *Information Please* tonight . . . Guest Columnist . . . Lester Katz . . . Regular experts: Lillian Wynn, news editor of Herald-Tribune . . . Edward Burns, author of the best seller, "Brittonia Forever" . . . Florence Nidriger, writer of the "Conning Tutor" . . . Splendid evening . . . Impressions: I always thought Catiline was a maker of bathing suits.

Wednesday — Morning . . . Stone is on vacation . . . New commentator . . . Anonymous . . . Even though he calls himself M. G. C. . . . Impressions: gee, this is an awful world! . . . Went to automobile show . . . Think I'll nab that Adler XII coupe . . . saw J. J. Adler, pres. of Adler, Inc., at the Automobile Dealers' Congress next door . . . J. J. predicts a big year . . . Company will sponsor symphonic hour . . . Orchestra headed by Arturo Dubey . . . First soloist: pianist David Tietze . . . Took in a movie . . . The long awaited spectacle . . . Roberto Tucker in "The Life of Rudolph Valentino" . . . Co-star: Esther Gallagher . . . She was chic and he was "shiek" . . . Impressions: that last crack wasn't very good . . . saw the newsreel . . . Secy. of Treasury Tudan views with alarm the 1956 budget . . . 4½ billion dollars!!! . . . well, almost . . . President Thomsen inaugurated by Chief Justice Pasquale Fiorita . . . Impressions: I knew him when . . . Spent quiet evening at home listening to the Farr-Arborio program . . . gee, I wish I could make those faces . . . Impression: television is here to stay . . . maybe . . . Heard late evening news . . .

Recollections

The Cosmopolitan's Page — The Week in Review

President Thomsen sends offer of appeasement to Peace Delegate Manzo . . . Looks like he may succeed . . . Impression: I remember them, when . . .

Thursday — Morning . . . M. G. C. sees no hope . . . Impressions: oh, darn this radio!! . . . Afternoon . . . Went to World's Fair . . . President Pessin addressed the Garment Workers Congress . . . Pleaded for more and finer garments . . . Impressions: I wonder why? . . . Saw Betty Ahearn win skating contest . . . Impression: whiz! . . . Modern Dance Performance at Aquacade . . . Martha Graham and Dolores Cohen were swell . . . Impression: splash! . . . Went to R. C. A. . . . Irving Pregozen, Irving Cohen, J. J. Galinsky head television, announcing, and executive departments, respectively.

Friday — Stayed home, listened to All-Star Band . . . Voted for everyone of those chosen . . . The lineup: trumpet—Barney Seligman, piano—Perc Nelson and Zeke Saltzman, trombone—Sherm Meiselman, clarinet—Merl (Young) Krane, fiddle—Bill Weisman, drums—Bob Kopelman, crooner—Shea Stoltz, vocalist—no thanks!

Saturday — Heard M. G. C. this morning . . . Impressions: I . . . well, what right do I have to express opinions anyway? . . . Afternoon . . . Listened to the Met's performance of "Il Pagliacci" . . . Barnardo Lappini, the new tenor, is superb . . . Impressions: I need a philosophy . . . Poppita (Elovitz) was also magnificent . . . Evening . . . Heard Arturo Dubey's rendition of the Beethoven Fifth . . . well . . . I've heard better . . . Impressions: gee, I need a philosophy!

Sunday — Heard Morton Q. Stone again . . . Reported that Manzo and Thomsen are on friendly terms permanently . . . Impression: wanna bet? . . . Went to All-Star Professional Football game . . . also brought along portable . . . Ned Schaffman gave wonderful rapid-fire account of game . . . Went up to the press box to see him . . . Also chatted with John Kieran, Henry McLemore, John Lardner, Slitts Silverman, and Grantland Rice . . . Ned tells me that P. G. Kershenbaum, president of the Giffer Cereal Company, has renewed his contract for the football broadcasts . . . Guess we'll still hear a lot about the wholesomeness of Giffers, the whole corn (flake) cereal . . . otherwise the game was swell . . . Bullet Barlow made a 95 yard run . . . Doc Hurley broke Don Hutson's record of long standing . . . He caught over 30 passes . . . Bud O'Connor pitching . . . Got home late . . . Turned on the Sunday Evening Hour . . . The MacCharles Motor Company divulged the new figures arrived at in regard to the weight of every cylinder in their Super-Trans-Ultra 345 town car . . . Mathematical wizards were Sidney Bendell and corps of assistants . . . Tietze was really great.

Monday — Morning . . . Turned on Morton Q. Stone . . . Rolled over . . . Impression: zzzzzz.

Acknowledgments

This, the 1941 *Portal*, represents the collective efforts of a number of individuals. We, the editor and board, express our sincere gratitude to:

Mr. Jack Brown of the Hammersmith-Kortmeyer Company, for his patience, wealth of ideas, timely co-operation, and prompt services.

The Photo-Reflex Studio of G. Fox & Company, for its excellent photography.

Those students in the Art Department, who, under the capable direction of Miss Helen Haselton and Miss Marjorie G. Ingle, have contributed the notable art work found in the *Portal*, namely: Anthony Diana, Lawrence Douville, Beatrice Echenique, Carol Edgecomb, Irene Goodman, Josephine Hepp, Roger Jeanfaivre, Marion Levy, Agnes Miele, Marie Papillo, Marie Pensiero, Marvin Pollack, Leo Rosen, Angelo Spinelli, Frances Tone, Shirley Tone, Joan Winterbottom, and Louophelia Worthy.

Someday, in the distant future, you'll come across a pile of musty notebooks, yearbooks and such, packed away on the bottom shelf of a dilapidated bookcase in a hidden corner of the attic. We earnestly hope that, as you blow off the dust and turn the pages of the 1941 *Portal*, memories of three years full of study, good fun, friendships, association with your fellow classmates and older men and women of ability will arise once more. If they do, all our labor will have been amply rewarded.

The Stoltz Bruech

"AHL aBOARD!" cried the SCHIPPER of the yacht as it started to move along the BANKS of the river. The LASSMAN to climb over the gangplank heard a "BING, BING" and gasped, "I'm LATER than usual. The BELZER ringing already."

Those who had arrived before were in the STERN of the boat, eating their first MIELE on the boat, LUNTZ. All of the travelers felt FINE, as they sat taking LAPPs from ice cream COHENs. Suddenly a BERSON ROSE and shouted, "My GOLDEN BRUECH has been STOLTZ! There's SARUBBI STONE in the middle of it that my FOSTER mother gave me in KALAFarnia. She's APTER GETTY away! WYNN are you COHEN to KATZ the thief?"

"WICKS one took it?" asked a WEISMAN in a calm TONE.

"That's her. HURWITZ DEGRAY hair. CHASE her!" But the woman had already DARTed along the HALL.

"BALLOU-hoo!" sobbed the robbed one, growing M O R A N MOORE hysterical. "This is KILLEN me! It BURNS me up! In my TOWNE, a FINEBERG, a BOSSI would be sent after her. You over there, of what HUGHES are you? Be a GOODMAN and HUNTER down! The rest of you GURWITZ him and DUBEY quick about it."

"Stop your YALEN," one of the men answered. "LEES go, boys. We can find her without much trouble since we ARNOLD, but YOUNG."

Since the thief had slipped on a D'AMATO while she was BOLTON, they COTTER and TUCKER to the others, after taking away the BRUECH. But LOWE and behold, although a GROSSMAN in good HERLTH HELLER securely with his HANNON her shoulder, she HURLEYed herself over the rail into the water, calling out as she fell, "I'd rather be SCHLAIN than go to jail!"

Then everyone began to shout, "FISHER out!" and a SEAMAN cried, "MANZOOverboard!" They made as much noise as eLEVIN hurdy-GERDES. A SAILOR was OESTING her from the water with a KRANE, and he finally PECKed her out and deposited her on the deck. Although a bit GREEN about the GILSTON account of her WALSHing, she PERKELed up and was HALE and hearty after a while, since time can usually MENDALL.

"Take her BARLOW decks," ordered the SCHIPPER, handing his men the KEYES. "From now on we'll WARD off any people like her."

"HEPP! HEPP!" cried a BOARDMAN who had been disgusted with the whole affair.

"Music, MEISTER, please! Now we can go to our GOMES in peace and never ROME again, RHEINER shine!"

The Trail of the Lonesome Grind

Now, this little tale has nothing to do with a "grind" and it has nothing to do with a lonesome person, but the title sounded so nice and since it fools everybody into reading the rest of the story, I decided to use it. Clever, aren't I? However, not to be completely devoid of any sense the title does suggest a trail, yes, a long and perilous trail, one fraught with danger and hazard, upon which we shall go. You still don't know what I am driving at but don't get emotionally upset. I'm getting there. Now, this trail begins—

At five minutes past eleven. This is known as "Nickel Time" in Weaver. In five minutes you are going to eat your dinner so you must quickly drop your books, making as much noise as possible, of course, and rummage around until you find a nickel. That is for your bottle of chocolate milk, without which you would soon perish. If you have no nickel, borrow one from the boy across the room, taking care that you disturb the rest of the class at the same time.

Then the "Grand March". The instant the bell rings, nay even sooner than that, you are off like a bullet for the lunchroom. Naturally, you don't push your fellow students in an effort to reach the food counters. There's plenty of room for everybody. No, you don't push, you shove. You are not supposed to cut in on the lines waiting at the counter. But you do it anyhow. Ya gotta eat, don'tcha?

Once you get to the counter, don't by any means look for, expect, or dare to ask for spaghetti. They just don't have it here. But you must spend more than a nickel. Just because you took out a nickel before doesn't mean that that's all you're going to spend, does it? No. So you finally pick up something that looks tempting. Now, mind you, I said *looks* tempting. I won't commit myself any further than that. As you now round the bend and head for the cashier, you stuff anything and everything possible into your shirt, sweater or what have you. It is imperative that you cheat the cashier!

Ah, at last you are in the open again. Once past the cashier you must now maneuver yourself to a table where you are sure there's going to be an empty chair. Of course, there isn't. Now deposit your food on the table and look for a stool. Did I say deposit? I'm sorry, I meant *try* to deposit your food on the table. Someone will certainly push you and you will certainly spill something on your clothing which has just come back from the cleaners. Now you get your stool. This is very easy. Just take it. If you get into a fight over it, all the better. You don't want to lead a dull existence, do you? I didn't think so.

You sit down to eat. That is the most dangerous part of all. You must be careful not to touch a drop of food. Instead, stuff it into paper bags and throw them at your nearest enemy. If you haven't any enemies after all this, something has gone wrong. With practice and dogged determination you will eventually become expert in this recondite art, and thus better enjoy your lunch hours. This year's Honor Roll for Excellence in Lunchroom Marksmanship goes to Gladys Flanagan, Hazel Duffy, Irene Goodman, and Chavalla Britton. We deeply deplore the lack of boys' names on this list, and hope that the males will assert themselves in the future.

At this time the bell rings, and you make a mad dash for somewhere. It makes no difference where, so long as it's mad and it's a dash. *Dash it all!*

Moral of this story—Live to eat; don't eat to live. You'll have more fun.
